

## BLFC 2021 DATES

We're pleased to follow up our recent announcement of the postponement of BLFC2021 to Q4 with this announcement of BLFC2021's new dates: **October 21-24, 2021**.

Late in the year and just a week before Halloween, current projections suggest Oct. 21-24 falls well after a point at which most all adults - including all those planning to attend BLFC - will have had access to vaccination.

As had been the case with prior schedule changes, and continuing to be the case now:

- If you have a reservation out of block, you are responsible for canceling/modifying it. Refunds of deposits will depend on the terms of your individual reservation, and cancellation/modification information can be found in your confirmation e-mail.
- If your reservation was in-block, the GSR is already in the process of moving it to the new dates, on corresponding check-in/-out days. You should receive a confirmation e-mail once your reservation has been moved. Until then, please refrain from attempting to contact the hotel to cancel or make changes to your reservation.

With respect to registrations:

- All paid BLFC2020/2021 registrations will automatically carry over to these new dates, at the same registration level.
- Those who wish to have their registration refunded and not carried over to the new Oct. 2021 dates may request a refund at <https://reg.goblfc.org/account/orders>. Click the "...", select "Request Refund", and submit your refund request.

Selections for panelists, dealers, bazaar, art gallery, and the like will all carry over to the Oct. 2021 dates. If you canceled any of these things because of the prior moves and schedule changes, contact the relevant department to request reinstatement and we will make every effort to accommodate you. Department contact information can be found in your original selection notification e-mail.

Given how difficult it was to have skipped BLFC2020 entirely and to have made multiple postponements, all of us at BLFC would like to thank you for your patience, understanding, and support throughout this process. We're making this announcement of our Oct. 21-24, 2021 dates almost exactly one year after Nevada went into lockdown in 2020, and we are more hopeful now than ever we're looking forward to the impending return of conventions. We encourage all of you to continue to stay safe, wear masks, and get vaccinated once able to help bring us all closer to normalcy.

Stay tuned to our website and social media for more information, including details on drawings for the remaining hotel rooms, vendor selections, and more over the next several months. We're eager to welcome you all to Neo-Reno in 2021!

-BLFC
